Dear Mr. Falcone:

This is a final response to your March 23, 2018, Freedom of Information Act (FOIA) request in which you seek all test reports submitted by qualified vendors for NAVSEA Drawing 803-7226047.

We conducted a thorough search of this Headquarters' files, specifically those located in the Naval Systems Engineering Directorate (SEA 05) and learned that the requested information may fall under the purview of the Naval Surface Warfare Center, Philadelphia. In order to assist you, we have taken the liberty of forwarding your request to that command for action and direct response to you. For your information, the address for that office is as follows:

FOIA Coordinator
Naval Surface Warfare Center

Fees for processing your request were below the threshold for requiring payment at Naval Sea Systems Command Headquarters.

Sincerely,

DONNA M. HAMLIN
